FINISH SONGS FASTER

1. **Plan first** — Pick the beat, topic and a reference first.
2. **Voice memos** — Send your flow and hook ideas ahead of time.
3. **Hook first** — Then freestyle, comp the best lines and punch in.
4. **One song at a time** — Leave every session with a rough mix.

100% **Your royalties stay yours.** You keep all your royalties and songwriting. You pay for studio time. The music is yours.
